ALIEN TERRORIST REMOVAL COURT
OF THE UNITED STATES

IN RE MATTER OF APPLICATION FOR REMOVAL	**Case Number 2026-trc-1 (JNE)**

ORDER

On July 15, 2026, the United States filed an Application to the United States Alien Terrorist Removal Court pursuant to 8 U.S.C. § 1531 et seq. to remove the respondent in the above-captioned matter from the United States. On July 16, 2026, the Court held a hearing as contemplated by § 1533(c)(1), at which the Court heard attorney argument but no sworn testimony was taken. During the hearing the United States offered to supplement the record with information, and the Court had questions about the nexus that the government alleges between the actions of the respondent and the specific sections and subsections it invokes with respect to those actions. The answers persuaded the Court that the Government could benefit from the opportunity for more thoughtful consideration. Therefore, the Court hereby

ORDERS that the Government supplement its Application consistent with the matters discussed during the hearing and, in addition, provide any further factual or legal analysis to satisfy its statutory obligations. Absent a request for additional time, any supplemental information shall be submitted on or before July 22, 2026.
